

Warning!

Small Indian Mongoose

Herpestes auropunctatus

Mongoosees are the principal carrier of rabies in Puerto Rico

- Avoid all contact with them.
- If bitten, seek for medical assistance immediately and notify Forest personnel.
- Please, help us with this problem. Store your food and dispose of garbage properly.
- Deposit all trash inside cans and close them after.
- Do not feed the animals.
- If you see a trap, please do not disturb it or release the animal.

For more information or in case of emergency call 787-888-1880, 1810 or call 911.
